FREE-STANDING AND DESK-MOUNTED LUMINAIRES

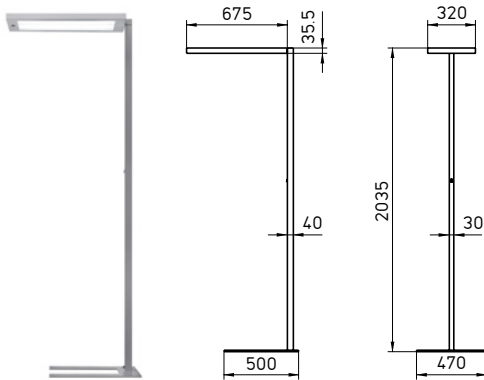

DOTOO.free – Modern lighting in its simplest form

DOTOO.free is a robust luminaire with a timeless design. It is available as a free-standing luminaire or as a desk-mounted luminaire, both with good lighting quality and optimum energy efficiency.

DOTOO.free satisfies all classic planning requirements for lighting, providing peace of mind at the planning stage. There is a choice of two power classes. As standard, the luminaire is equipped with daytime lighting and a presence sensor system.

Our LAVIGO family of luminaires gives you additional comfort, optimum light quality and numerous variants.
