System of seats on a beam.

Seat and backrest: moulded to body shape. They are made of beech plywood with a natural varnish or with flexible polyurethane padding with fabric or faux leather upholstery.

Support sides in aluminium alloy featuring slots for inserting seat and backrest.

Arms: aluminium alloy with black non-scratch plastic arm pads.

Beam: tubular steel horizontal with rectangular section (80x40x2 mm) and plastic covers on each end.

Base: aluminium. Fitted with adjustable feet for levelling the beam.

Aluminium parts come either polished or with an epoxy power coating in grey or black.

The bench can be fitted with a writing tablet with black laminate coating and ABS edge.
