

PRODUCT INFORMATION

Solitaire easy chair is an upholstered chair with an organic shape that is designed in one piece by Alfredo Häberli. One of Solitaire's armrests is like an integral tabletop, for reading, writing or as a side table. The chair is equally suitable for the home as for the dynamic workplaces. For Alfredo Häberli, it is extremely important that furniture encourages activity and movement. The way people work today is different from how they used to. This imposes new demands on our surroundings. Solitaire is a stable piece of furniture with different possibilities combining function and form.
